**Harvest tax information:**  
 Add these numbers and divide by 1000 to fill out Harvest tax form.  
 2750+70= 2820  
 2820/1000 = 2.82 Mbf  
 For more information on Oregon Harvest tax, see the links below.

Rate paid per thousand board feet. These rates are on the purchase order received from one of the log buyers prior to delivering logs. Rates shown here are for example only and do not reflect the current log market rates.
